

SPOTLIGHT YOUR BRAND

**Boost local awareness and
customer acquisition instantly**

ABOUT OUR COMPANY

MapPal, an NFC Sticker based IoT product that bridges the physical and digital world. Turn everyday asset touchpoints into a direct line for customer engagement and local brand visibility.

WHY CHOOSE US

Turn every sticker and app into an instant marketing hub for your business.

24/7 Asset Branding: Showcase your business everywhere you go.

Perpetual High-Street ROI: A one-time physical asset that generates continuous local reach without recurring ad spend.

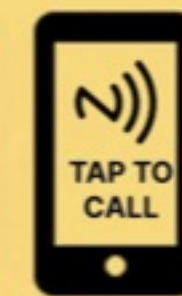

Hyperlocal Trust & Credibility: Build instant community presence and local authority wherever your physical stickers are placed.

OUR SERVICES

Beyond Paper Ads

Outlast traditional flyers with durable, weather-resistant smart stickers on vehicles, doors, and assets.

Hyper-Local SaaS Marketing

Reach exact neighbourhood audience right when and where it matters

Physical & Digital Advertisement

Promote your brand on dynamic physical stickers while gaining 24/7 visibility in our digital business directory.

After sale Customer care service

Ensure continuous product support by connecting with the current asset owner, even after ownership changes hands.

Order your MapPal merchant kit and claim your neighbourhood spotlight today.
